

TOWN COWS

All of our beef comes from our own herd of
Wildfarmed cattle grazing arable farms in
Oxfordshire

Today's Cuts

Deckle (200g) 26

Fillet (200g) 48

*Scottish girolles, green sauce and Town house
gravy*

Beef Shin Ragu

with Pappardelle & Aged Parmesan 26

Beef Ossobuco

with Saffron Risotto 39

How now Town cow?

The first Town Cows are Shorthorn/Angus crosses hap-
pily roaming Phil White's farm in Stadhampton.

When livestock graze arable farms, this increases yields
and biodiversity, ensures carbon fixing and, most im-
portantly, invigorates soil health. This is great for the
cows and the farmers, and it produces rich, nutrient
dense 100% grass fed beef

Delicious beef with a purpose.
